

The mission of Joy in Haiti is to help spread the gospel of Jesus Christ throughout Haiti, as well as to help meet the physical needs of those living in poverty.

The New Christian School of Tabarre sponsorship program partners with the parents to cover costs for teachers, supporting staff, books and a healthy snack. We help the parents offset the cost with the sponsorship of \$200 for each child for the school year. This partnership is giving these children an education they otherwise couldn't afford if not for your help. Along with receiving an education these children are learning about their Lord, Jesus Christ. 'And Jesus grew in wisdom and stature, and in favor with God and man.' Luke 2:52

We have mission teams going throughout the year to share their faith and to work alongside Pastor Brisenaault and his wife Joseline in their calling for the school and the House of Joy girls' orphanage. This provides an opportunity for you and your sponsored child to communicate through letters and pictures, allowing you to learn about one another. And to get updates on your sponsored child's school progress. 'This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God.' 2Corinthians 9:12
